NOTICE TO ALL

POTENTIAL WATER AND WASTEWATER STATE REVOLVING FUND APPLICANTS

The State Revolving Fund Loan Program maintains Priority Ranking Lists (PRLs) for both of its funds, the Drinking Water State Revolving Fund (DWSRF) and the Clean Water State Revolving Fund (CWSRF). Over **\$90-million** is loaned annually to Cities, Utility Districts, and, Energy or Water/Wastewater Authorities with projects appearing on the PRLs for the planning, design, and construction of eligible water and wastewater projects.

Letters of request to be ranked for the FY 2017 DWSRF and CWSRF PRLs and the **associated questionnaire** must be submitted upon receipt of this NOTICE regardless of past requests. Only projects identified on the PRLs are eligible for the low-interest, flexible-term DWSRF and CWSRF loans. Funding priority will be given to projects that are ready to proceed.

The FY 2017 appropriations for both funds may contain some form of Principal Forgiveness, Green Reserve Set-asides, and will include Davis Bacon wage rate stipulations and American Iron & Steel Requirements.

Please provide letters *via hardcopy, fax, or e-mail* to **Sam Gaddipati** at the address above by **February 15, 2017.**

Please call 615-253-5134 to verify receipt of your request.

FOR DWSRF LOANS

Types of DWSRF-eligible projects:

- Compliance with rules and regulations
- Protection of public health and the environment
- Treatment
- Transmission and distribution
- Consolidation
- Creation of new systems
- Source water development
- Storage

The DWSRF letter of request to be ranked should include:

- Project description including type, location, and population served
- Need and public health or compliance problem addressed by the project
- Total costs including additional funding sources
- Desired loan award date
- Estimated construction start and completion dates
- **GREEN COMPONENTS, DESCRIPTIONS, AND ASSOCIATED COSTS**
- **RANKING QUESTIONNAIRE**

FOR CWSRF LOANS

Types of CWSRF-eligible projects:

- Secondary or advanced treatment
- Infiltration/inflow correction
- Rehab/ replacement of sewer lines, manholes, etc.
- New collector and interceptor sewers
- Combined sewer overflow correction
- Storm sewer construction, storm water management
- Conveyance of recycled water from wastewater facility to end user
- Ground water protection
- Non-point source pollution control

The CWSRF letter of request to be ranked should include:

- Project description including type, location, and need
- Total costs including additional funding sources
- Desired loan award date
- State-certified septic survey, if applicable
- Estimated construction start and completion dates
- **GREEN COMPONENTS, DESCRIPTIONS, AND ASSOCIATED COSTS**
- **RANKING QUESTIONNAIRE**

PLEASE NOTE: In order to be eligible for SRF funding, CDB Grant requests must also specify a request for SRF funding.

If you have any questions regarding the SRF Loan Program, the Priority Ranking Lists, the eligibility of certain projects, and/or the current SRF loan interest rate for your City, Utility District, Energy or Water/Wastewater Authority please contact Sam Gaddipati—(615) 532-0462, sam.gaddipati@tn.gov, or Felicia Freeman—(615) 253-5134, felicia.d.freeman@tn.gov.
